

19th European Biomass Conference and Exhibition

Descripción:

The 19th European Biomass Conference and Exhibition (EU BC&E), the leading platform for the world's biomass specialists, will take place in Berlin, Germany (Conference 6-10 June 2011 - Exhibition 6-9 June 2011). This event is hosting more than 800 presentations in plenary, oral and visual sessions. The 18th European Biomass Conference with 1,500 participants, experts and visitors from over 70 countries took place in Lyon, France, in May 2010.

The 19th EU BC&E this year in Berlin receives institutional support from BMU, the German Federal Ministry for the Environment, Nature Conservation and Nuclear Safety, in the frame of the programme 'Research and Development for the Optimization of Energetic use of Biomass' (www.energetische-biomassenutzung.de). The EU BC&E offers the best platform to share and compare results with similar targeted research and development results of EU countries and beyond.
