

FCH JU Brokerage event 2011

Descripción:

The **objective** of the 3rd edition of the FCH JU Brokerage event, co-organised during the Michelin Challenge Bibendum by NEW-IG and N.ERGHY, is to help our members with the preparation of drafting proposals and search for the right consortium partners in the context of the Call 2011 which is to be launched at the beginning of May 2011.

The FCH JU Brokerage Event aims to:

- propose your project idea to potential project partners
- check project ideas from others to join their consortium
- work out project ideas to indicative proposal
- build a project consortium
- build and enlarge your network
